ANGEL OF DEATH IN THREE HOMES.

Mrs. Sarah Ann Sloan, Mrs. Rachel Sturm and Mrs. Nancy Ash.

ALL HAD BEEN ILL LONG TIME

Mrs. Sloan and Mrs. Sturm Died Sunday Evening and Mrs. Ash this Morning—Arrangements for the Funerals Made.

Last evening, at 8:30 o'clock Mrs. Sarah Ann Sloan, one of the most widely known residents of the West Side, died at her late home, corner of Messon avenue and North Sixth street, West Side. Mrs. Sloan had been a sufferer of rheumatism for the past three years and at that time she was out only about three times. Three weeks ago she contracted typhoid fever, but her condition was not alarming until yesterday morning at 10:30 o'clock when her illness took a turn for the worse. Her mother-in-law, the bowels followed and resulted in her death. Her husband, John Sloan, has been an invalid for over three years and his condition is not very favorable.

Funeral services will be held from her late home tomorrow afternoon at 2 o'clock. Rev. J. L. Prouditt, pastor of the First Presbyterian church, will officiate. Interment in Hill Grove cemetery.

Mrs. Sloan was born and reared in Allegheny and was a daughter of the late Mr. and Mrs. John McClelland. She was married in Allegheny to John C. Sloan and had resided in the West Side for more than 25 years. Mr. Sloan for many years owned and operated a country on South Seventh street, West Side, and later built a home on Sixth street. Mrs. Sloan was the mother of three children, a son Howard, died at the age of eight.

Deceased was a member of the Reformed church of Allegheny, but since residing in Connelville she attended the First Presbyterian church. She never lifted her foot, however, from the Reformed church.

Mrs. Sloan was highly respected by her wide circle of friends and her sudden death came as a great shock both to the members of her family and friends. In addition to her husband, she is survived by two children, March Sloan and Mrs. Clara Gallatin, wife of Lester Gallatin, who also resides at home. Two sisters, Misses Margaret and Mary McClelland of Allegheny and one brother, John F. McClelland, of East End, Pittsburgh, and two grandchildren, also survive.

Mrs. Rachel Sturm, aged 72 years, and two months, wife of Rev. Charles A. Sturm, a superannuated Methodist Protestant minister, died yesterday afternoon at 5:30 o'clock at her late home on North Pittsburgh street. Mrs. Sturm had been in poor health for the past three years. Sunday morning she arose at her usual time and to change in her condition was noticed until about noon when her daughter, Miss Anna, went into her room. She found her mother in a semi-conscious condition. The symptoms were that of a slight stroke. She never rallied. Funeral from her late home Wednesday afternoon at 2 o'clock. Rev. George Schaffer, pastor of the Methodist Protestant church at Bellevue, and Rev. David Jones of the Methodist Protestant church at Waynesburg, assisted by Rev. R. E. Cairns of the local Methodist Protestant church, will officiate. Interment in Hill Grove cemetery.

Deceased was born at Fawn Grove, York county, Pa., September 19, 1839. She was a daughter of the late Richard and Elizabeth Heaps Webb. March 8, 1861, she was married in Baltimore to Rev. Charles A. Sturm. They came to Connelville from Broad Ford ten years ago and since that time Mrs. Sturm has been on the superannuated list. He was pastor of the Broad Ford Methodist Protestant church for several years, coming to Broad Ford from New Cumberland, W. Va. Mrs. Sturm before her marriage was a member of the Quaker church. After her marriage she united with the Methodist Protestant church, and attended services regularly until her health failed her. She was the mother of seven children, the following of whom survive: Mrs. W. W. Fulmer of the West Side, and Miss Anna H. Sturm at home. Her husband and one brother, Joseph Webb, of Fawn Grove, Pa., also survive.

Mrs. Nancy Elizabeth Ash. Following a lingering illness, Mrs. Nancy Elizabeth Ash, a resident of Connelville for 25 years, died this morning at her home No. 119 East Church place. Death resulted from cancer of the stomach. Her death was not unexpected by the members of her family. Notice of funeral later.

Mrs. Ash was born at Mr. Jackson, in the Shenandoah Valley, August 15, 1828. She was 83 years, 3 months and five days old.

The following children survive: James, Charles, William, Harry J., John, Misses Daisy and Emma Lou, all of Connelville. Two brothers, James M. Proctor of Fairmont, Adam L. Proctor of Cumberland, Md., and two sisters, Mrs. Jennie Giles of Fairmont, and Mrs. Clara Dorey of Cumberland, also survive. Before her marriage Mrs. Ash was Miss Nancy Elizabeth Proctor. In addition to her surviving children, brothers and also

Spivac Disappears; May be Murdered

Adolf Spivac, an Austrian, well known in the vicinity of Berlin, Somerset county, may be the victim of foul play at the hands of persons who put him out of the way to get possession of a sum of money that he was known to carry on his person.

Spivac disappeared some five or six weeks ago from his shanty at Rahmstown under peculiar circumstances and he has not since been seen or heard of, notwithstanding efforts have been made to locate him. About the time mentioned the Austrian took a trunk from his shanty to the home of Frank S. Coleman, near Pine Hill station, and asked permission to leave it there for a day or two, saying that he would call for the next Monday. Later he bought a piece of meat and took it to a neighboring family, asking them to cook it so that he could have soup for supper. Then he left, going in the direction of Berlin, and has not been seen or heard of since. Spivac had upwards of \$1,000 in his possession.

Gave Dinner in Honor of Son

Proprietor J. M. Marietta of the St. James Hotel gave an elaborate turkey dinner yesterday afternoon in honor of the 21st birthday of his son, Robert Marietta, an employee of Boyte, Porter & Company, Twenty-two guests were seated in the prettily decorated dining room at the St. James. Roses and ferns were used to decorate the room and the table.

The dinner was very well arranged and the service splendid. Turkey and vegetables formed the main portion of the menu, with ice cream, cake, punch, wines and other delicacies as trimmings.

Besides members of the family, other guests were Misses Stella and Mamie Murphy, Miss Rose Ryan, Mr. and Mrs. Harry Moore and child, Mr. and Mrs. J. M. Ritchey and child, Joseph Ritchey, Antonio DeFord, Alexander Nardin, William Conroy, Rockwell Critchfield and Wade Gens.

Robert Marietta, in whose honor the dinner was given, entered the shops of Boyte, Porter & Company as a helper two years ago and is now regarded as one of the most promising apprentices that the firm has in its employ.

Home Day at the Baptist Church

Yesterday was "Home Day" at the First Baptist church and in honor of the occasion a congregation that filled the large church assembled. "Home Day" is observed annually by the pastor, Rev. B. A. E. Palmquist and family, and a special effort is made to have as many families present as possible. The pulpit was neatly fitted up to represent a living room and the sermon and singing was very appropriate. Large bouquets of chrysanthemums were used as floral decorations. The committee in charge of the decorations was composed of Mrs. William Work, Mrs. B. F. Johnston and A. C. Herbert. Special pews were reserved for the different families. While the sermon was of a different theme last evening the congregation was equally as large as in the morning. Many persons who were not members of the church were present.

Gold Dust Brightens the Home

Nothing is so attractive as a cleanly home; nothing contributes so much to cleanliness as Gold Dust. No matter what it touches—china, pots and pans, floor, woodwork, clothes, etc.—it cleans thoroughly, leaves everything spotlessly clean, bright and attractive.

Don't use up all your time and strength trying to keep things clean; use Gold Dust everywhere you can—in all your household cleaning—and let it do the work. It works so quickly and thoroughly that really it makes cleaning a pleasure instead of a task. It makes home "sweet" home.

A Lost Purse.

How often do we hear of somebody losing a purse containing a substantial amount of money? It is always wise to carry funds on one's person. In the first place, it occasions considerable worry and no matter how carefully we guard against loss there is always the danger of robbery or accident. This book invites accounts in any amount, thereby safeguarding its patrons against the loss of their money by fire, burglary or other mishap. The Citizens National Bank of Connelville.

Wedding at Rockwood. C. C. Vansickle, son of Mr. and Mrs. H. C. Vansickle, of Casselman, and Miss Anna Ream, daughter of Mr. and Mrs. Irvin Ream, of Market street, Rockwood, was united in marriage at the home of the bride at 4:45 Sunday afternoon by the Rev. A. C. Miller, pastor of the United Evangelical church. The newly weds will make their future home at Casselman.

Off on Hunting Trip. Mr. and Mrs. J. W. Buttermore of Prospect street left this morning for a visit at Berlin, Pa. Mr. Buttermore took his gun along and will do some hunting before his return.

Record Made by Scottdale Nimrods

Jack Kreimer, Phil Kreimer and Cash Grim of Scottdale have established a record in hunting in the vicinity of Somerfield that will stand for a good while. There are no figures so far that equal their bags in this part of the State. In two and a half days hunting last week they got three squirrels, 17 rabbits and 31 pheasants.

The same party in three days hunting at the opening of the season over the same ground about Somerfield got three woodcocks, one squirrel, 13 rabbits and 29 pheasants. These figures were verified at Scottdale when the same was brought home and every piece of it was shot by one or the other of the three men mentioned above. They report game about Somerfield more plentiful than it has been for many years.

Local Nimrods Made Big Haul

One of the largest bags of game that has been brought to Connelville this season came in Saturday afternoon when John D. Sherick, William D. Sherick and Ralph S. Morton returned from a three day hunt through Sattick township and surrounding territory.

In all the hunters brought back 65 pieces of game. There were 48 rabbits, 15 pheasants and two squirrels in the lot. The nimrods had the automobile decorated with game, photographed.

On Wednesday good tracking snow was encountered and this resulted in the big haul of rabbits.

Union Evangelists Open at Meyersdale

Union evangelistic services, which will continue perhaps six weeks, will be inaugurated at Meyersdale, Pa., on Wednesday evening, the 22nd. Dr. A. P. Burrows, who has had wide experience in evangelistic work, will have charge of the services. The affair will be conducted by R. A. Jennings, for many years associated with the Synod in revival work. Mr. Jennings requests that the choir of all the churches meet with him at the tabernacle Wednesday evening at 7:30 o'clock.

Had Good Luck.

Joe M. Steiner and Walter D. Stoner of Scottdale spent a couple of days last week with dog and gun up the Indian Creek valley, and came down with what the conductor of the Indian Creek Valley railroad said to them was the best string of game brought out this season, and consisting of 25 pieces.

Can't Trifle With Nature

Sleeplessness, shaky nerves, stomach trouble, weak heart, headaches, etc., are effects often caused by coffee and tea drinking.

There can be no relief until the cause—if it be coffee or tea—is removed.

Then Nature will repair the damage; and the return to health can be hastened by using well-bellied

POSTUM

—the pure liquid food-drink containing the nourishing elements of wheat, including the phosphoric potash (grown in the grain) which Nature requires in rebuilding body and brain.

"There's a Reason."

And it is explained in the little book, "The Road to Wellville," in packages.

Dennis Johnson Wanted the Coin

The main bout in the boxing card at Spolko's park, Mt. Pleasant, on Saturday evening failed to materialize. Dennis Johnson of Connelville refused to go on with Glen Miller of Bridgeport until he saw something that looked like money. Dennis says he volunteered to go on with Miller for \$25 but there were only 40 people in the house and the \$25 could not be raised.

From Mt. Pleasant comes the report that the fight card was well attended and that the preliminaries were enjoyed greatly. Dennis said there was a good bit of talk about the \$25 but he couldn't see anything that looked like that much real money, and he doesn't box for glory any more.

Wilkinson Meets Local Contractors

C. M. Wilkinson of Baltimore, representing the Western Maryland railroad, met several Connelville contractors here Saturday afternoon and went over the new depot to be erected at Ohioville and Confluence, Pa. for the Ohioville depot. Plans for the Ohioville depot, were left at Division Engineer J. I. Palmer's office while those for the Confluence building will be left in that town for contractors to examine. Both buildings are to be one story high, 20 by 50 feet in size.

Bonner Pays for Disorderly Conduct

James Bonner did not know when he quit Saturday night and his luck of discretion cost him \$5.00. Bonner was swearing at a foreman on Main street about 10:30 when Officer Thomas McDonald warned him to behave. He persisted in his disorder and was arrested. He paid a \$5.00 fine yesterday morning.

Four drunks faced Burgess Evans yesterday besides Bonner. The usual sentence of 18 hours was given each.

SOUTH CONNELLSVILLE'S
SCHOOL DIRECTORS.

The Courier's views of the law are not always upheld by the courts, but in this regard it does not materially differ from some very excellent lawyers. The News, however, seldom advances a legal proposition that is strong enough to stand over from one day to another. Concerning the organization of the South Conneltsville School Board, it says:

An erroneous impression has gotten out relative to the time the School Board will take charge of affairs. A local paper published a story that it would be a year before the School Board would take charge of affairs. The School Code provides that in a new district the new board shall assume the management of the school at the beginning of the school year, in July. The Conneltsville Township School Board will therefore, at the beginning of the school year, in July, but the two boards will work together.

The School Code says that School Boards shall be elected in November, 1911, and that "THEIR TERMS OF OFFICE SHALL BEGIN ON THE FIRST MONDAY OF DECEMBER FOLLOWING THEIR ELECTION."

It is further provided that: All School Directors who are holding office in any school district at the time this act goes into effect, shall continue to act in their respective districts until the directors provided for in this act have duly qualified and organized as herein provided. After the Board of School Directors hereafter provided for is organized, the Board of Directors of the South Conneltsville School District shall have no further authority.

South Conneltsville's new School Board will assume complete control and management of the South Conneltsville schools immediately upon its organization, on or after the first Monday of December, next, when the present School Board will be dissolved by operation of law and will have nothing further to say concerning the South Conneltsville schools.

THE COAL AND COKE
RATE CASES.

The complaint of the Pittsburgh coal operators and the Conneltsville coke manufacturers against the discriminatory freight rates arbitrarily imposed upon them by the railroads will be heard by Interstate Commerce Commission at Washington this week. The way seems open at last to early relief from a gross imposition born and reared under the old rule, "As much as the traffic will bear."

The case of the complainants has been well prepared by John W. Bolten, a competent expert, and will be presented by attorneys thoroughly versed in the subject. It will be difficult if not impossible for the railroads to successfully combat the facts and the logic presented by the shippers. All the equities are on the side of the latter. It is apparent that our producers are being grossly discriminated against and in favor of the producers of other districts, and that the Pittsburgh and Conneltsville districts rates must either be lowered or the rates of the West Virginia and Kentucky regions raised.

The railroads will, of course, prefer to make the rates of the other districts, but the equity of this will also be taken into due consideration by the Interstate Commerce Commission, whose duty it is to establish reasonable rates for all manner of traffic.

It is locally certain, therefore, that the Pittsburgh and Conneltsville districts will get a proper measure of relief, and that such readjustment of freight rates will be highly beneficial to the coal and coke interests of these districts.

PENNSYLVANIA
TELEPHONE MERGERS.

While the Tri-State telephone company is trying to cut itself loose from an unprofitable merger, a movement is afoot in Philadelphia to merge all the independent telephone companies of Pennsylvania.

Such a combination has its advantages if framed on fair lines, that is to say if its constituent companies are taken over on honest valuations and put together without the admixture of too much water.

A small telephone line is handicapped by its limited service. A big company can give valuable long distance service as well as useful local service, and many patrons demand such service.

The Tri-State company will, it is safe to say, enter into no more combinations unless it can be clearly shown that they are proper and profitable.

The Pennsylvania telephone merger may be all right, but it seems to have a great many names to its band.

THE INTERSTATE COMMERCE
COMMISSION'S POWERS.

Just about the time the Pittsburgh coal operators and the Conneltsville coke operators are ready to present their plea to the Interstate Commerce Commission asking that discrimination against these regions be discontinued and the freight rates from the same be made equitable as compared with the rates from other coal and coke districts, comes the rather startling announcement that the Court of Commerce has rendered a decision which practically shreds the locks of this modern Samson of Railway Regulation.

Whether this decision will affect the

What's become of the neighbor that never brought his horse back till she run out of sugar?

Pittsburg and Conneltsville rate cases is not apparent because of the paucity of particulars at hand concerning it, but we imagine it will not materially interfere with the present inquiry, and it is highly probable that if the Interstate Commerce Commission lacks in power to deal with any of the questions presented to it in proper form and manner that power will be given it at the coming session of Congress.

The Interstate Commerce Commission has come to stay.

Just who is responsible for the death of the West Side colored child shot through the heart by a bullet from a Robert rifle remains to be determined by the Coroner and his jury, but in any event it is plain that the Robert rifle is a dangerous thing to play with. Its danger is so far recognized by the State that a law has been enacted forbidding the discharge of this weapon in cities and boroughs. The Robert rifle is a deadly playing which parents should discourage rather than promote.

HIGH SCHOOL WON FROM LATROBE TEAM

Great Defense Under Goal Posts Kapt Visitors Scoreless.

NEW TRICKS WERE UNCOVERED

Locals Held to Straight Football Greater Part of the Time for Fear of Expanding Plays for Benefit of Uniontown—Some Ragged Work.

High School won a 17-0 victory over Latrobe here Saturday and played straight football most of the time. Few tricks were uncovered for fear Uniontown might have men on the ground to gain pointers. Incidentally, if High School's play any better against Uniontown than it did against Latrobe, there will be a sadder and wiser bunch of Connelville rooters next Saturday.

The bright and shining star of Saturday's contest was Quarterback Showalter of the Latrobe eleven. He and Blair were the only consistent ground gainers the visiting team could claim. The teams were about evenly matched, although if anything, the Connelville boys were heavier.

Showalter is a little youngster. He is the smallest kid that has played here this year, but he played the game like a veteran. He could negotiate a 10 yard gain nearly every time he tried. Not a Connelville player could get to him until he had made a gain and then it took three or four to bring him down. A team of Showalters would have made the High School boys look cheap.

Connelville played fairly good football, but there was room for improvement. In the first quarter two good opportunities to score were lost. Latrobe held firm on the five yard line the first time, and on the 12 yard line the second. Soon after the second quarter opened Port's kick was recovered by McGinnis on Latrobe's five yard line, and Skeets was bowled through for a touchdown. Port kicked the goal. In the second quarter the Cokers got the ball within two yards of the opposing goal, but again failed to shove it over for a touchdown. After Latrobe kicked the ball was worked upfield once more. Addie made the second touchdown on a fluke. Port attempted a field goal but could not lift the soggy ball into the air. It bounded across the line, where Addie fell upon it. The ball was barely an inch beyond the chalk. Port kicked the goal and the ball ended 12 to 9 in Connelville's favor.

Largely because of Showalter's brilliant work, Latrobe carried the ball to Connelville's one yard line in the third quarter, but the local boys were adamant and refused to give ground. Four times they held the visitors without gaining an inch, and Port kicked the ball to safety. In the fourth quarter Marshall went over the line for a touchdown on a forward pass, but was called back for off-side play. Bishop made the field goal of the game, Port misplaying the goal from his touchdown.

The Connelville backfield did not appear as formidable as could be desired. Port's kicking machine hit in fixture. Jones seemed to be the best ground gainer of the several backs that were tried. The lineup:

Connelville (17) Latrobe (9)
Addie Feather
Poley left tackle Yates
Moore left guard Seelman
Hillman right guard Hillman
Hill right tackle Sheehan
Moore right tackle Weaver
McGinnis right tackle Moore
Moore guard Showalter
Port left half Herington
Jones right half Decker
Bishop fullback Decker
Substitutions—McNulty for Jones, Buttermore for Bishop, Miller for Moore, Miller for McGinnis, Marshall for Miller, Miley for Hillman.
Touchdowns—Skeets, Addie, Bishop, Goals from Touchdown—Port 2.
Referee—Hewitt; Umpire—McNary; Field Judge—Phillips; Head Lineman—Mestrecht; Timer—Ashie.
Time of quarters—15 and 12 minutes.

Connellsville Names Dewar

"Fille" Dewar, the Pitt football star, has been selected by Connelville to officiate in the contest with Uniontown next Saturday. Uniontown's selection has not yet been announced. Dewar is one of the best known football players in Western Pennsylvania and is very popular. He is Pitt's quarterback.

The High School authorities decided to get the best official possible to supervise the important contest next Saturday. The selection of Dewar will be generally commended.

PERRYOPOLIS.

PERRYOPOLIS, Nov. 20.—Louis Dannecker and Mrs. Wm. Reinken were Pittsburg shoppers on Saturday. Mrs. M. S. Blair and daughter, Margaret, were shopping in Connelville on Saturday.

Mrs. J. Alvin Byers and son, Wendell, were in Uniontown Sunday visiting Mrs. Byers' mother, Mrs. William Wolfe.

G. A. Markle of the West Side, Connelville, was the guest of his son, H. C. Markle yesterday.

Mr. and Mrs. Paul Forsythe of Layton, were Sunday visitors at the Rush Mosburg home.

Rev. J. L. Meadows of Pittsburg, delivered two very able sermons at the M. E. church on Sunday.

Mail Tests at Scottdale

Special to The Courier.
SCOTSDALE, Nov. 20.—Mailing clerks in the Scottdale postoffice were examined on Thursday and showed excellent speed, surpassing their nearest neighbors at Connelville, examined the day previously by several points.

J. H. Landis, assistant examiner of the Railway Mail Service, gave the tests. The test this time was on Section E, covering 615 postoffices located in the seven following counties: Allegheny, Beaver, Fayette, Greene, Somerset, Washington and Westmoreland, including 32 railway postoffice routes, known as section E of the Pennsylvania routes. H. A. Bricker, assistant postmaster, averaged 22 cards per minute and misthrew but four. His per centage was 99.35, or 1.75 per cent. better than Connelville's assistant, Miss L. K. Hixson, averaged 32 cards per minute and misthrew but two, making her per centage 99.67, or .33 better than the two clerks at Connelville. None made the same speed at a previous examination when the territory was more familiar.

Building Parsonage.
The congregation of the Christian Church, Rev. O. J. Howarth, pastor, is building a solid brick parsonage on the high street side of the church and adjoining the church building. Members of the Board of Trustees are giving time and labor to the work, and others of the congregation will do the same as the work goes on. C. D. Shank and Victor Vance, contracting carpenters, are doing the carpentering, while David and Leo Sherman, who were formerly bricklayers, are doing that end of the work. The pastor, Rev. O. J. Howarth, was unable to hold services on Sunday on account of a severe attack of tonsillitis. On next Sunday morning there will be Children's Day services held for the Home Missions. There will be a special program rendered at 3:45, in which a large number of the Sunday School pupils will take part.

Is Improving.
The condition of Quinn Gallatin, a prominent young farmer of west of town, who was very ill with grip followed by complications, was said to be improved yesterday evening.

W. C. T. U. Tonight.
The Woman's Christian Temperance Union will meet at the home of Miss Malinda Stoner this evening instead of tomorrow evening, the change in the time being made on account of Dr. J. H. Nicks' lecture at the First Methodist Episcopal Church tomorrow evening on "Knives and Forks."

A MIGHTY REMEDY

Cures Backache, Sideache, and all Kidney, Liver and Bladder Diseases, or Money Back.

Yes, money back; that's the offer that Graham & Company, agents in Connelville, and S. A. Lowe & Company, agents in Scottdale, make if Thompson's Backache Remedy fails to cure any of the above named diseases.

And when you stop to think, that's a wonderfully generous offer from the viewpoint of the afflicted, the sick and the suffering.

So if you are ill, have the blues, have lost ambition, have backache or pains in your side, if your urine is high colored, and your eyes dull and complexion sallow, the chances are that your kidneys are weak and clogged up, and that your blood is full of impurities.

So why wait when Thompson's Backache Remedy is guaranteed to restore your health. Get a bottle today at Graham & Company's or at S. A. Lowe & Company's. There are two sizes, 50 cents and \$1.00.

Five years ago Charles Schultz of Dunkirk, N. Y., was so weak and run down that he decided to give up his business. He took Backache Remedy and in a few months he regained his health and gained 55 pounds in weight. Today he writes: "I have been in perfect health ever since I wrote you five years ago." All druggists.

CASCARETS INSURE INSIDE CLEANLINESS.

The Millions of Cascaret Users Never Have Headache, Constipation, Biliousness or Sick Stomach.

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—of merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the decomposed waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel a Cascaret tonight will straighten you out by morning. They work while you sleep. A box of Cascarets from your druggist will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

RAILROAD NOTES

Somerset County Leader.
Necessary materials are on the ground at Somerset for the installing of a turntable at that station. The turntable will be used in conjunction with the Belmont-Somerset branch, and will facilitate the operating of trains on that road. Engines at present must be taken either to Rockwood or Adams to be turned, which often consumes much valuable time. Among other improved facilities also booked for Somerset is a big railroad scales, with which coal tonnage will be ascertained. Coal is present is weighed at Adams Station, but a recent modification in plan of train running made that point very inconvenient for the weighing of cars, because, contrary to former custom, trains of loaded cars no longer are handled through Adams but via the new extension. The turntable and scales will be placed in position between two grade crossings near the Somerset depot.

Engineer W. E. West, a throttleman on the F. M. & P. branch, better known as the "sheep skin," spent several days at Rockwood, and Adams last week. He formerly worked out from those two stations.

SHE HAD CONSTANT PAIN

Until Relieved by Lydia E. Pinkham's Vegetable Compound.

Dewittville, N.Y.—"Before I started to take Lydia E. Pinkham's Vegetable Compound I suffered nearly all the time with headaches, backaches, bearing down pains, and had a continuous pain in my left side. It made me sick if I tried to walk much, and my back was so sore that I was obliged to wear corsets all the time. But now I do not have any of these troubles. I have a fine strong baby daughter now, which I did not have before taking Lydia E. Pinkham's Vegetable Compound. Mrs. A. A. Gries, Route 44, Dewittville, N.Y.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

Plays and Playmen.
The Shuberts have secured a new opera by Lehar, which they will stage after "The Wedding Trip."

"The Pink Lady" is soon to be given in London, with Frank Danolis in the role of Donizetti.

A revival of the "Two Orphans" is soon to be made by Spencer Cole, a brother-in-law of Kate Claxton, who made the play famous in this country years ago.

CHAPTER XXIV.

A Flaw in the Title.

"Come on over!" invited Jimmy. "All right; I believe I will," responded Billy, running to the fence. His aunt's peremptory voice arrested his footsteps. "William, come here!" she called from the porch. He reluctantly retraced his steps. "I am going back to the kitchen to bake a cake and I want you to promise me not to leave the yard." "Lemme see 'em go over to Jimmy's a little while," he begged. "No; you and Jimmy can not be trusted together; you are sure to get into mischief, and his mother and I have decided to keep the fence between you for a while. Now, promise me that you will stay right in my yard."

Billy suddenly gave her the promise and she went back to her baking. "That's always the way now," he said, meeting his little neighbor at the fence. "Ever since Aunt Minerva got onto this here promisin' business, I don't have no freedom 't all. It's 'William, promise me this' an' it's 'William, don't forget yo' promise now,' tell I 's jes' plumb sick 'n tired of it. She know I ain't goin' back on my word an' she jes' natchally kites the 'vantage of me; she 'bout the hardest 'oman to manage I ever seen sence I 's born."

"I can nearly all time make my mama do anything 'most if I jus' keep on tryin' and keep on a-beggin'," bragged the other boy. "I just say 'May I, mama?' an' she 'll all time say, 'No, go 'way from me and lemme 'tione,' and I just keep on, 'May I, mama? May I, mama? May I, mama?' an' tereckly she 'll say, 'Yes, go on and lemme read in pence.'"

"Aunt Minerva won't give in much," said Billy. "When she say 'No, William,' I ain't no use 't all to beg her; you jest wastin' yo' breath. When she put her foot down it got to go just like she say; she sho' do like to have her own way better 'n any 'oman I ever see."

"She 'bout the meanest woman they 'in," agreed Jimmy. "She got you under her thumb, Billy. I don't see what woman 's made fo' if you can't beg 'em into things, I would n't let no old spunky Miss Minerva get the best of me that 'way. Come on, anyhow."

"Now, I can't come," was the gloomy reply. "If she 'd jest tol' me not to, I couldn't want, but she made me promise, an' I ain't never goin' back on my word. You come over to see me."

"I can't," came the answer across the fence. "I 's earnt me a baseball mask. I done already earnt me a mit. My mama don't never make no promise her nothing, she just pays me to be good. That 's hucome I 'm 'bout to get 'tione and go to the mounner's bench. She 's gone up town now and if I don't go outside the yard while she 's gone, she 's going to gimme a baseball mask. You got a ball what you bringed from the plantation, and I 'll have a bat and mitt and mask and we can play ball some. Come on over just a little while; you ain't earning nothin' like what I 'm doin'."

"Now, I promise her not to an' I ain't ever goin' to break my promise," "Well, then, Mr. Promiser," said Jimmy, "go get your ball and mitt 'n throw 'cross the fence. I can't find mine."

Billy kept his few toys and play things in a closet, which was full of old plunder. As he reached for his ball something fell at his feet from a shelf above. He picked it up, and ran excitedly into the yard.

"Look, Jimmy," he yelled, "here 's a baseball mask 'tione in the closet. Jimmy, forgetful of the fact that he was to be paid for staying at home immediately rolled over the fence and ran eagerly toward his friend. They examined the article in question with great care.

"Inspection, 'and yet it don't." He tried it on. "It don't seem to fit your face right," he said. Sarah Jane was bearing down upon them. "Come back home dit minute, Jimmy!" she shrieked, "want to ketch some mo' contagious 'cuses, don't yuh? What dat y' all got now?" As she drew nearer a smile of recognition and appreciation overspread her big good-natured face. Then she burst into a loud, derisive laugh. "What y' all gwine to do wid Miss Minerva's old bustle?" she inquired. "Y' all sho' am de contariest chilrens in dis hero cooperation."

"Bustle?" echoed Billy. "What 's a bustle?" "Dat 's a bustle—dat 's what 's a bustle. Ladies use to wear 'em 'cause dey so stylish to make they dresses stick out in the back. Come on home, Jimmy, 'fore yuh ketch de yaller jandis or de epizootion; yo' ma tol' yuh to stay right at home."

"Well, I 'm coming, ain't I?" scowled the little boy. "Wanna need n't to know nothing 'bout you tell."

"Would you take yo' mama's present now, Jimmy?" asked Billy; "you ain't earnt it."

"Would n't you?" asked Jimmy, doubtfully.

"Naw, I would n't, 'thout I tol' her."

"Well, I 'll tell her I just comed over a minute to see 'bout Miss Minerva's bustle," he agreed as he again tumbled over the fence.

A little negro boy, followed by a tiny, white dog, was passing by Miss Minerva's gate.

Billy promptly flew to the gate and hailed him. Jimmy, looking around to see that Sarah Jane had gone back to the kitchen, as promptly rolled over the fence and joined him.

"Lemme see yo' dog," said the former.

"Ain't he cute?" said the latter. The little darkey picked up the dog and patted it across the gate.

"I wish he was mine," said the smaller child, as he took the soft, fluffy little ball in his arms; "what 'll you take for him?"

The negro boy had never seen the dog before, but he immediately accepted the ownership thrust upon him and answered without hesitation, "I'll take a dollar for her."

"I ain't got but a nickel. Billy, ain't you got 'nough money to put with my nickel to make a dollar?"

"Naw, I ain't got a red cent."

"I 'll tell you what we'll do," suggested Jimmy; "we'll trade you a baseball mask for him. My mama's going to gimme a new mask 'cause I all time stay at home, so we'll trade you our old one. Go get it, Billy."

"I've commended Billy," said the boy, picked up the bustle where it lay neglected on the grass, and handed it to the questioner of the puppy. The deal was promptly closed and a black little negro went grinning down the street with Miss Minerva's ancient bustle tied across his face, leaving behind him a curiously dressed dog.

"Ain't he sweet?" said Jimmy, bugging the fluffy white ball close to his breast, "we got to name him, Billy."

"Let's name her Perunty Pearline," was the suggestion of the other joint owner.

"He ain't going to be name' nothing at all like that," declared Jimmy; "you all time got to name our dogs the scallowaggest name they 's. He 's going to be name 'Sam Lamb' 'cause he 's my partner."

"She 's a girl dog," argued Billy, "an' she can't be name' no man's name. I sho' could 'd call her Major."

"I don't care what sort o' dog he is girl or boy, he 's going to be name 'Sam Lamb.' Pretty Sam! Pretty 'Sam!' and he fondly stroked the little animal's soft head.

Big Demand for Tona Vita

No other preparation has ever been sold in America for which there is such a tremendous demand as "Tona Vita." This medicine was unknown in this country until a few months ago, and today the sale of the tonic is so large that it has been impossible to prepare it fast enough to supply the sudden and great demand. Druggists from all over the country are sending in wires, about as follows:

"Rush more 'Tona Vita.' Last shipment all gone. Sale tremendous." "No medicine could be so tremendous, ly successful unless it had a mission to accomplish. 'Tona Vita' is accomplishing its mission. It is making tired out, debilitated, nervous men and women, happier, healthier and better prepared to cope with life."

"Nervous debility is the cure of this age. It is produced by the strain of modern life. The symptoms of disease are little vitality, of ambition, tired, dragging feeling of both mind and body, nervousness and depression of spirits, stomach and liver trouble, constipation, headaches, poor circulation, and susceptibility to coughs and colds."

"Tona Vita" is relieving thousands of this miserable condition. It will positively do this: where there is not some serious organic trouble, it is a remarkably short time. The very first dose will bring improvement, and each following dose adds health and strength. The tonic must prove satisfactory or the price is returned by our recognized agent. Don't drag around, half dead, any longer. What 'Tona Vita' is doing for thousands, it will do for you."

Lee's Rhubarb Laxative, the assistant preparation, is the finest family laxative in the world. The natural medicinal qualities of rhubarb—nature's purest and best laxative are obtained in this medicine. Lee's Rhubarb Laxative will not harm the weakest constitution and is therefore ideal for children. It is very pleasant to the taste. A. A. Clarke has the agency in Connelville, Pa., for these two great preparations.

COIFFURE FOR EVENING. This charming effect is easily gained. The hair is arranged in Georgian style, with a wide flat coyle around the head, and fluffy curls over the ears. A long string of pearl beads is then pinned in zig-zag fashion around the head. Silver pins, set with rubic stones, are used to hold it in place.

DON'T WAIT SO LONG. One of the most surprising things in the world to druggists is that so many people endure unnecessary suffering and trouble.

Every day they hear people say, "I have been feeling so weak and miserable for the last few months, but I finally decided to come and ask you what to do for it."

For instance, Miss Zillah Teagarden, of Connelville, Pa., says in a letter: "For years I had been in bad health owing to run-down system and general weakness. I had no appetite, was tired out, and had no strength."

"Hearing so much about Vinol I decided to try it, and I find it the greatest of all remedies. It has built up my strength, restored my appetite, and made me as well as ever. I might just as well have had this benefit years ago if I had taken Vinol then."

Now if you are weak and in poor health, don't wait another day, but get Vinol, our delicious cod liver and iron remedy without oil, make you strong. We guarantee it—you get your money back if not satisfied.

Graham & Company, Druggists, Connelville, Pa. Vinol is sold in West Connelville by Fred H. Harmsen, Druggist.

THE MOST IMPORTANT THING. Business and Professional Men Have a Little Discussion.

The other day a group of men discussed the question, "What's the Most Important Thing in Life?" The doctor said, "Health," the lawyer, "Justice," the juror, "Salvation," the business man, "Trade." The professor said nothing until the others pressed him for his opinion. All expected him to say "Knowledge" and were, therefore, surprised when he said: "The most important thing in life is to get the wherewithal to sustain life itself." This professor was right. Food, shelter and clothes are things you will need always and the most important thing in life is to make certain of having them. Just one way to do it—SAVE. Open an account with a strong bank. The First National of Connelville, for instance, and put something away every week or month. You can begin with a dollar—Four per cent interest.

AT THE THEATRE.

THE SOISSON.

"Along the Kennebec."

The next attraction to be seen in this city is that sterling New England play, "Along the Kennebec," which will be given in all its entirety, wealth of rural scenery, the great quarry scene with its working drills and a real steam engine at the Soisson theatre tomorrow afternoon and night. The company includes many well known players and clever specialty artists. Characters are all unique in originality and there are several types entirely new to the stage. This comedy-drama scene in the third act is very funny and is said to surpass the celebrated duel scene in Joseph Jefferson's play of "The Rivals." The company carry a fine band.

"The Confession."

BURTON "YOU ARE A CONSTABLE, SEARCH HIM." ZEKE "NO, I'LL BE DAHD IF I DO!"

"The Confession," by James H. Haddock, will be presented at the Soisson Theatre, Wednesday afternoon and night, Nov. 20. Much interest should be attached to the fact that this is the first performance of this great play in claiming great dramatic power, heart interest, a lesson and a purpose, coupled with the announcement of so distinguished a playwright, as "The Blue Mouse," a play from the pen of the late

Shuman, Charles Bradley, Elsie Williams, Bertine Robertson and others of note—names that appear prominently or have starred in most every important playright always shows wisely in organizing a company of players. Therefore, a company of his selection, playing his play is indeed a happy combination. Thus, is "The Blue Mouse," which comes to the Soisson Theatre matinee and night Saturday, Dec. 2.

Games Tonight.
Connelville at Uniontown.
South Side at Washington.
Johnstown at Charlottesville.

The first week of the Central league has indicated that the contest for the pennant will be a close one. The showing of the Cokers is encouraging despite three defeats to a single victory. Two of the four games were fast and furious, and the contesting teams displayed an aggressive, aggressive spirit. That the boys lost Saturday night to Charlottesville was not a surprise. They were exhausted as a result of the game the night previous. Besides that the Charlottesville aggregation has been transformed from what appeared a joke into very much the real thing.

That Jack Adams has whipped his team into shape with no preliminary practice is one of the big surprises of opening week and one that rebounds great credit to the doctored leader. When Charlottesville opened here Monday night fans in general regarded them as hopelessly outclassed. To the amazement of all concerned the Cherubs came back strong by defeating South Side Tuesday night, handed Uniontown a bad scare both Wednesday and Thursday, and got sweet revenge from the Cokers Saturday. Adams is a wise general and he does not know how to quit. In Berlin he seems to have picked up a youngster who can play the game and his work against such men as Tome, Smith and Cavanaugh stamps him as a coming star.

Johnstown fans have strong faith in Fogarty's men and the goods displayed by the Jaws last Friday night indicates they are justified. Fogarty seems to have filled in nicely by securing Kinkaid to play a leading guard to Whitford's floor game. There may be better forwards than Newman, and some say Bill Keenan is going back, but just the same Johnstown is well balanced and sure to make trouble. The defeat at South Side Saturday night was to be expected. The Jaws were badly fagged after the contest here Friday night and could not be expected to be on edge at South Side.

South Side is getting under way nicely. It will probably take the men a week or two to familiarize themselves with the Central league style of play. It is not new to them, but they need practice to make them perfect. Curlett is almost as dangerous on the foul line as Harry Hough, and once those South Siders start banking the ball regularly, South Side is apt to stampede the others.

There was no opportunity to get a real line on Uniontown opening week. Captain Andy Sears isn't shooting fouls up to his usual standard. The first week for Uniontown ended favorably for them largely because of George Smith. The big fellow is going like a house afire and 29 field goals in three games is a mighty good record. Smith may be the very man to fill Getzinger's shoes. If he keeps up his sensational work those who predicted that the former Tawatha stars were going back may have another guess. One thing seems certain, however, the race will not be confined to two teams this season, as in 1910-11. Just now all five teams are showing such strength that there is little to choose between them.

Connelville had an unfortunate week. It lost its first game on the road by the narrow margin of a single point, and the second defeat of the week came by a two point difference in score after one of the fastest games ever played in the league. Few fans really realized how desperate the two teams battled here Friday night, or what a strain it was upon the players so early in the season. The defeat Saturday night is neither surprising nor discouraging. Charlottesville did not play the same game it showed here on opening night. Those Cherubs made both South Side and Uniontown go the limit, and would have given the Cokers a hard fight even had Dark's men been in condition for it.

The Cokers are stronger than they were this time last season. They have a better team. The fans in general believe Captain Dark made a mistake in breaking up his regular lineup at the start of Friday's game against Johnstown and Dark probably realizes it himself. It was an experiment worth trying, however, and the failure will only prevent its recurrence. It is probable after this Captain Dark will start games with his regular lineup

and use substitutes only when the Cokers have secured a safe lead or it is plainly evident the regulars are not holding their own. Dark's eyes are in bad shape as the result of frequent slams during the week and he stayed out of the Charlottesville game, Saturday night. While did as well as any of the Cokers, scoring one of the three field goals that were made by Connelville. Billy Kummer's work so far indicates that he will be one of the league's sensations this season. Kummer already holds high mark for field goals, with nine for a single game to his credit. His foul tossing mark of 22 out of 25 is likely to stand for some time. Besides these records, Kummer is playing a steady, brilliant floor game all the time. Cavanaugh hasn't set the league afire from a scoring standpoint, but he is holding his own in that department. In other ways his work is all that could be desired. He is getting the jump right along and playing a bang-up game on the defense. Lee Egoff isn't getting an opportunity to show what he has this year but in his two games he has held his own. Park hasn't been tried in a contest and is still an unknown quantity.

The scoring averages for the week show Adams, Fogarty, Kummer and Curlett to be the leaders. In field goals Smith of Uniontown leads, outscoring his own captain by a point. Curlett is the best foul shooter, with Billy Kummer a close second. Although they have played but four games, the Cokers are second in team scoring only to Johnstown. The figures for the first week follow:

Changes Made in Playing Schedule

In order to play a double-header—the first in the league—on Thanksgiving at Washington, changes have been made in the Central league schedule. South Side will be the team that figures in the first double-header over attempted in the league. South Side and Washington will play in the afternoon and evening.

Eddie Ford is expected to manage the Washington team. He is after the Trenton team of the Hudson River League, the outfit that Bobby Whigham formed, and it is said the whole team will jump into Washington today for the opening game.

Ted Sullivan, the veteran manager and coach, is willing to organize a new league in western Canada and place a team in Winnipeg if the Canadian fans will help in the good work.
